Accelerator Library

Accelerators are specialized engagements designed to help you get started and get more value from your investment in Salesforce. Use this library to find your product, explore the available resources, and grow your skills with Salesforce experts.

Customers with a Premier Plan can schedule One-to-One Accelerators at no additional cost. Premier Plan customers also get around-the-clock access to support, developer help, and personalized coaching. For more info, get to know Premier.

Updated June 24, 2020
What’s an Accelerator?
Take your success to the next level

Accelerators are specialized coaching resources designed to help customers get more value from Salesforce products. We currently offer:

- **Accelerator Webinars**
  One-hour expert coaching sessions on a specific topic that any Salesforce customer can attend. Available live or on-demand

- **Accelerator Trailmixes**
  Tailored learning journeys on Trailhead. We’ll walk you through industry best practices and tips based on what works for our top performing customers.

- **One-to-One Accelerators**
  Personalized sessions during which Salesforce Specialists help you overcome obstacles and drive long-term success. Included for Premier customers.

Premier customers can also request a one-to-one follow-up session.
Premier Success Plans
Reach your goals faster with Premier

Customers with a Premier Plan get 24/7 support, personalized coaching, and expert guidance.

Learn how to drive adoption, get support, and boost productivity by registering for the Get Started with Premier Accelerator.
