Users may include, for example, employees, consultants, contractors and agents of Partner, and third parties with which Partner transacts business.

SECTION 2: OBLIGATIONS

2.1 Development and Maintenance.

2.1.1 Subject to the terms and conditions of this Agreement, including without limitation Section 4.2 (Terms of Use) below, during the term of the Agreement, SFDC will provide or make available the Commerce Cloud Product Documentation, Commerce Cloud APIs, one Commerce Cloud Sandbox and Commerce Cloud XChange Collaboration Center, as described herein. Partner shall be entitled to the benefits applicable to the tier it subscribes to in the Order Form, as described in more detail in the Partner Program Guide, and otherwise agrees to abide by the terms of the Partner Program Guide.

2.1.2 Partner will devote such resources and undertake such development work as may be necessary to integrate the Commerce Cloud Services with Partner’s Products within sixty (60) days of the effective date of this Agreement, including the development of written documentation regarding the functionality and other relevant aspects of the integration.

2.1.3 Partner will continue to support the Integration to ensure the continued efficacy of the Integration for the greater of one year after the term of this Agreement or the duration of the certification, as outlined below in Section 2.3, “Certification”, as applicable.

2.1.4 Integration Security Review. SFDC may conduct periodic security evaluations of the Integration (“Security Reviews”), which may include a qualitative assessment involving review of a questionnaire completed by Partner, an interview with appropriate Partner personnel, and/or security testing. SFDC conducts such Security Reviews for its own benefit and Partner may not rely on, publicly disclose, or promote a Integration’s successful passage of such Security Review. Partner shall not distribute an Integration unless such Integration has successfully passed the Integration Security Review. There may be fees associated with such review. If the Integration, in whole or in part, runs outside SFDC’s systems, security testing may include remote application-level security testing of the Integration,
and network-level security testing including a vulnerability threat assessment. SFDC may conduct such testing itself or through a third party. SFDC will provide reasonable notice to Partner before starting such testing. SFDC will cooperate reasonably with Partner to mitigate the effects of such testing on Partner’s business and operations. Partner agrees to cooperate reasonably with such testing. Despite the foregoing, such testing may in rare cases cause downtime or other adverse effects on the Integration or Partner’s systems. Partner agrees that SFDC and its agents or contractors conducting the testing will bear no responsibility or liability arising from such testing. Any Partner Confidential Information to which SFDC obtains access in the course of a Security Review will be subject to Section 5 (Confidentiality).

2.1.5 Privacy and Security of Customer Data Accessed by Integration. Partner will maintain appropriate administrative, physical, and technical safeguards for the protection of the security, confidentiality and integrity of Customer Data accessed or processed by the Integration. To the extent the Integration transmits or processes Customer Data outside SFDC’s systems, Partner represents and warrants that it will notify all Customers prior to their use of the Integration that their Customer Data will be transmitted or processed outside SFDC’s system and to that extent SFDC is not responsible for the privacy, security or integrity of that Customer Data. Partner shall not (a) modify Customer Data, except to provide the Integration or when expressly permitted in writing by Customer, (b) disclose Customer Data except as compelled by law or as expressly permitted in writing by Customer, or (c) access or use Customer Data except to provide the Integration and prevent or address service or technical problems, or at Customer’s request in connection with customer support matters. In addition, Partner shall comply with all applicable laws in providing the Integration to Customers. Partner agrees to maintain the confidentiality of Customer Data indefinitely following the expiration or termination of this Agreement.

2.2 Integration Support and Training. SFDC provides remote technical support by telephone to assist Partner in completing the Integration, in accordance with the Partner Program Guide, as may be updated from time to time. SFDC will also make available online training, through the Partner Community, regarding the Commerce Cloud Services and use of the Partner Community.

2.3 Certification. Upon completion of an Integration, Partner shall submit the Integration to SFDC for certification review. Upon receipt of the foregoing, SFDC will then review each Integration with reasonable cooperation and assistance from Partner. SFDC will determine, in its sole discretion, whether any Integration shall be considered a certified Integration to be made available to the Commerce Cloud LINK Partner Community. Should SFDC certify an Integration, Partner shall maintain the Integration in accordance with SFDC’s certification requirements for the duration of the certification. Partner’s failure to do so may result in decertification of the Integration.

2.4 Beta Services. From time to time, SFDC may make Beta Services available to Partner at no charge. Partner may choose to try such Beta Services or not in its sole discretion. Beta Services are intended for evaluation purposes and not for production use, are not supported, and may be subject to additional terms. Unless otherwise stated, any Beta Services trial period will expire upon the earlier of one year from the trial start date or the date that a version of the Beta Services becomes generally available without the applicable Beta Services designation. SFDC may discontinue Beta Services at any time in its sole discretion and may never make them generally available. SFDC will have no liability for any harm or damage arising out of or in connection with a Beta Service.

2.5 Marketing. Partner shall use commercially reasonable efforts to market and promote the Commerce Cloud Services to its customers, provided, that such marketing and promotion shall (i) be consistent with the Commerce Cloud Product Documentation and any Materials or other information provided by Commerce Cloud with respect to same, (ii) otherwise accurately portray the Commerce Cloud Services and (iii) be in compliance with applicable law. Additional marketing activities may be set forth in one or more Exhibits to this Agreement.
2.6 Customer Support. Each party will be responsible for all customer service for its respective products or services and will refer to the other party’s customer service organization all questions relating to the other party’s products or services.

SECTION 3: FEES; PAYMENTS

3.1 Fees. Partner will pay all fees specified in Order Forms. Except as otherwise specified herein or in an Order Form, (i) fees are based on subscriptions purchased and not actual usage, (ii) payment obligations are non-cancelable and fees paid are non-refundable, and (iii) quantities purchased cannot be decreased during the relevant subscription term.

3.2 Invoicing and Payment. Partner will provide SFDC with valid and updated credit card information, or with a valid purchase order or alternative document reasonably acceptable to SFDC. If Partner provides credit card information to SFDC, Partner authorizes SFDC to charge such credit card for all fees listed in the Order Form for the initial subscription term and any renewal subscription term(s) as set forth in the “Term of Subscriptions” section below. Such charges shall be made in advance, either annually or in accordance with any different billing frequency stated in the applicable Order Form. If the Order Form specifies that payment will be by a method other than a credit card, SFDC will invoice Partner in advance and otherwise in accordance with the relevant Order Form. Unless otherwise stated in the Order Form, fees are due net 30 days from the invoice date. Partner is responsible for providing complete and accurate billing and contact information to SFDC and notifying SFDC of any changes to such information.

3.3 Overdue Charges. If any invoiced amount is not received by SFDC by the due date, then without limiting SFDC’s rights or remedies, (a) those charges may accrue late interest at the rate of 1.5% of the outstanding balance per month, or the maximum rate permitted by law, whichever is lower, and/or (b) SFDC may condition future subscription renewals and Order Forms on payment terms shorter than those specified in the “Invoicing and Payment” section above.

3.4 Suspension of Service and Acceleration. If any charge owing by Partner under this or any other agreement for services is 30 days or more overdue (or 10 or more days overdue in the case of amounts Partner has authorized SFDC to charge to Partner’s credit card), SFDC may, without limiting its other rights and remedies, accelerate Partner’s unpaid fee obligations under such agreements so that all such obligations become immediately due and payable, and suspend Partner’s access to the applicable services until such amounts are paid in full, provided that, other than for Partners paying by credit card or direct debit and whose payment has been declined, SFDC will give Partner at least 10 days’ prior notice that its account is overdue, in accordance with the “Notices” section below for billing notices, before suspending services to Partner.

3.5 Payment Disputes. SFDC will not exercise its rights under the “Overdue Charges” or “Suspension of Service” section above if Partner is disputing the applicable charges reasonably and in good faith and is cooperating diligently to resolve the dispute.

3.6 Taxes. SFDC’s fees do not include any taxes, levies, duties or similar governmental assessments of any nature, including, for example, value-added, sales, use or withholding taxes, assessable by any jurisdiction whatsoever (collectively, “Taxes”). Partner is responsible for paying all Taxes associated with its purchases hereunder. If SFDC has the legal obligation to pay or collect Taxes for which Partner is responsible under this section, SFDC will invoice Partner and Partner will pay that amount unless Partner provides SFDC with a valid tax exemption certificate authorized by the appropriate taxing authority. For clarity, SFDC is solely responsible for taxes assessable against it based on its income, property and employees.

3.7 Future Functionality. Partner agrees that its purchases are not contingent on the delivery of any future functionality or features, or dependent on any oral or written public comments made by SFDC regarding future functionality or features.
3.8 Expenses. Except as otherwise set forth herein or mutually agreed by the parties in writing, each party will bear its own costs and expenses of its performance under this Agreement.

SECTION 4: INTELLECTUAL PROPERTY; TERMS OF USE; LICENSES

4.1 IP Ownership. Except as specifically set forth herein, each party shall retain all intellectual property rights in its intellectual property and for any works or materials which it creates in connection with this Agreement. Except as explicitly licensed herein, this Agreement does not transfer any intellectual property rights between the Parties. For clarification purposes (i) Partner retains all right, title and interest in the Partner’s Products and (ii) SFDC retains all right, title and interest in and to its products and services, including without limitation, the Commerce Cloud Services, Commerce Cloud APIs, Commerce Cloud Xchange Collaboration Center, Commerce Cloud Product Documentation, Commerce Cloud Sandboxes and all improvements and modifications thereto and all derivative works thereof. Other than as expressly set forth in this Agreement, no license or other rights in or to a party’s products, services or intellectual property is granted, and all such licenses and rights are hereby expressly reserved.

4.2 Terms of Use. Partner’s access to the Partner Community and participation in the Salesforce Partner Program is governed by the terms of the Salesforce Partner Program Agreement located at https://www.salesforce.com/content/dam/web/en_us/www/documents/legal/Agreements/alliance-agreements-and-terms/salesforce_Partner_Program_Agreement.pdf (“SPPA”). Partner’s participation in the Commerce Cloud XChange Community and Partner’s use of the Commerce Cloud Sandbox, Commerce Cloud APIs, Commerce Cloud Product Documentation, and Commerce Cloud XChange Collaboration Center shall comply with the Commerce Cloud XChange Community Terms of Use located at https://www.demandware.com/tos. Any reference to “Demandware, Inc.” in the Commerce Cloud XChange Community Terms of Use shall be deemed to refer to “Demandware, LLC, a Delaware corporation.” Partner’s use of any Commerce Cloud APIs is also subject to the Commerce Cloud API License Agreement located at https://partners.salesforce.com/0693A00000067XvdQAE, and Partner’s use of any Commerce Cloud Sandboxes is governed by the terms of the salesforce.com Master Subscription Agreement found at https://www.salesforce.com/company/msa.jsp, unless Partner has a written master subscription agreement executed by SFDC for such Commerce Cloud Sandboxes as referenced in the Documentation, in which case such written salesforce.com master subscription agreement will govern (as applicable, the “MSA”) and for purposes of this Agreement, such Commerce Cloud Sandboxes shall be deemed “Services” as defined in the applicable MSA. Each such aforementioned document may be updated from time to time by SFDC or redirected to a successor URL (collectively, the “Commerce Cloud TOUs”).

4.3 License. Subject to the terms of this Agreement, Partner grants SFDC a perpetual, worldwide, transferrable, non-exclusive license, together with the right to sublicense, to use, distribute (directly and indirectly), modify, extend, and make derivative works from the Integration, solely in connection with enabling customers to use the Commerce Cloud Services as integrated with Partner’s Products, including without limitation as necessary to certify the Integration, to support or facilitate Partner’s Integration with, and delivery of Partner’s Products via the Commerce Cloud Services and to make the Integration publicly available via the Commerce Cloud XChange Collaboration Center. Nothing herein shall permit SFDC to sell or license the Integration for any fee.

4.4 Sales and Marketing Materials License. Each party grants to the other a limited, non-exclusive, personal, non-transferable, non-sublicensable right and license: (a) to use the Materials solely in conjunction with the marketing, promotion and resale of the other party’s products or services, subject to the other party’s discretion and written approval, and (b) to modify certain of the Materials expressly designated for such purpose by incorporating such party’s trademarks and/or brand features, subject to the other party’s prior written approval. All such modified materials will be deemed Materials of the original party under this Agreement. Each party agrees that it will not at any time during or after this Agreement assert or claim any interest in or do anything that may adversely affect the validity of the other
party’s Materials or any other materials, trademark, trade name or product designation belonging to or licensed to the other party and used by the other party in connection with such party’s products or services during the term of this Agreement.

4.5 Mark Usage Rights. Each party grants the other party a limited, nonexclusive, personal, non-transferable and non-sublicensable license to use its Marks solely for the purpose of promoting either Commerce Cloud or Partner, upon prior written approval, and as contemplated herein. Each party shall retain all right, title, goodwill and interest in and to its Marks and shall cease use of the other party’s Marks within five (5) days after written request from the other party, but shall not be obligated to return tangible or intangible copies of materials containing such Marks that are previously distributed as permitted herein.

4.6 Suggestions. Partner grants to SFDC and its Affiliates a worldwide, perpetual, irrevocable, royalty-free license to use and incorporate into its services any suggestion, enhancement request, recommendation, correction or other feedback provided by Partner relating to the operation of the Salesforce Commerce Cloud Services.

SECTION 5: CONFIDENTIALITY

5.1 Definition of Confidential Information. “Confidential Information” means all information disclosed by a party ("Disclosing Party") to the other party ("Receiving Party"), whether orally or in writing, that is designated as confidential or that reasonably should be understood to be confidential given the nature of the information and the circumstances of disclosure. Confidential Information of Partner includes data submitted to the Commerce Cloud Sandbox; Confidential Information of SFDC includes the Commerce Cloud API and Confidential Information of each party includes the terms and conditions of this Agreement and all Order Forms (including pricing), as well as business and marketing plans, technology and technical information, product plans and designs, and business processes disclosed by such party. However, Confidential Information does not include any information that (i) is or becomes generally known to the public without breach of any obligation owed to the Disclosing Party, (ii) was known to the Receiving Party prior to its disclosure by the Disclosing Party without breach of any obligation owed to the Disclosing Party, (iii) is received from a third party without breach of any obligation owed to the Disclosing Party, or (iv) was independently developed by the Receiving Party.

5.2 Protection of Confidential Information. The Receiving Party will use the same degree of care that it uses to protect the confidentiality of its own confidential information of like kind (but not less than reasonable care) to (i) not use any Confidential Information of the Disclosing Party for any purpose outside the scope of this Agreement and (ii) except as otherwise authorized by the Disclosing Party in writing, limit access to Confidential Information of the Disclosing Party to those of its and its Affiliates’ employees and contractors who need that access for purposes consistent with this Agreement and who have signed confidentiality agreements with the Receiving Party containing protections not materially less protective of the Confidential Information than those herein. Neither party will disclose the terms of this Agreement or any Order Form to any third party other than its Affiliates, legal counsel and accountants without the other party’s prior written consent, provided that a party that makes any such disclosure to its Affiliate, legal counsel or accountants will remain responsible for such Affiliate’s, legal counsel’s or accountant’s compliance with this “Confidentiality” section.

5.3 Compelled Disclosure. The Receiving Party may disclose Confidential Information of the Disclosing Party to the extent compelled by law to do so, provided the Receiving Party gives the Disclosing Party prior notice of the compelled disclosure (to the extent legally permitted) and reasonable assistance, at the Disclosing Party's cost, if the Disclosing Party wishes to contest the disclosure. If the Receiving Party is compelled by law to disclose the Disclosing Party’s Confidential Information as part of a civil proceeding to which the Disclosing Party is a party, and the Disclosing Party
is not contesting the disclosure, the Disclosing Party will reimburse the Receiving Party for its reasonable cost of compiling and providing secure access to that Confidential Information.

SECTION 6: REPRESENTATIONS AND WARRANTIES; DISCLAIMER

6.1 SFDC Representations and Warranties. SFDC warrants that SFDC will not materially decrease the overall functionality of the Commerce Cloud Sandbox during any subscription term hereunder.

6.2 Partner Representations and Warranties. Partner represents and warrants (a) the Integration will perform materially in accordance with the relevant documentation as amended from time to time by Partner and as provided to Partner’s customers; (b) it will not materially decrease the overall features and functionalities of any Integration during the Term; (c) it has the legal power to enter into and perform its obligations under this Agreement; and (d) it will not make any representations or warranties on SFDC’s behalf.

6.3 DISCLAIMER. EXCEPT AS EXPRESSLY PROVIDED HEREIN, NEITHER PARTY MAKES ANY WARRANTY OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, AND EACH PARTY SPECIFICALLY DISCLAIMS ALL IMPLIED WARRANTIES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW. CONTENT AND BETA SERVICES ARE PROVIDED “AS IS,” AND AS AVAILABLE EXCLUSIVE OF ANY WARRANTY WHATSOEVER. EACH PARTY DISCLAIMS ALL LIABILITY AND INDEMNIFICATION OBLIGATIONS FOR ANY HARM OR DAMAGES CAUSED BY ANY THIRD-PARTY HOSTING PROVIDERS.

SECTION 7: INDEMNIFICATION

7.1 Indemnification by Partner. Partner will defend SFDC against any claim, demand, suit or proceeding made or brought against SFDC by a third party alleging that any Partner Products, the Partner Materials or the Integration infringes or misappropriates such third party’s intellectual property rights, or arising from Partner’s breach of the Agreement or applicable law, or from the Partner’s action or inaction (including negligence, gross negligence or willful misconduct), each to the extent allowable by applicable law (each a “Claim Against SFDC”), and will indemnify SFDC from any damages, attorney fees and costs finally awarded against SFDC as a result of, or for any amounts paid by SFDC under a settlement approved by Partner in writing of, a Claim Against SFDC, provided SFDC (a) promptly gives Partner written notice of the Claim Against SFDC, (b) gives Partner sole control of the defense and settlement of the Claim Against SFDC (except that Partner may not settle any Claim Against SFDC unless it unconditionally releases SFDC of all liability), and (c) gives Partner all reasonable assistance, at Partner’s expense.

7.2 Indemnification by SFDC. SFDC will defend Partner against any claim, demand, suit or proceeding made or brought against Partner by a third party alleging that the Services infringes or misappropriates such third party’s intellectual property rights (a “Claim Against Partner”), and will indemnify Partner from any damages, attorney fees and costs finally awarded against Partner as a result of, or for any amounts paid by Partner under a settlement approved by SFDC in writing of, a Claim Against Partner, provided Partner (a) promptly gives SFDC written notice of the Claim Against Partner, (b) gives SFDC sole control of the defense and settlement of the Claim Against Partner (except that SFDC may not settle any Claim Against Partner unless it unconditionally releases Partner of all liability), and (c) gives SFDC all reasonable assistance, at SFDC’s expense. If SFDC receives information about an infringement or misappropriation claim related to the Services, SFDC may in its discretion and at no cost to Partner (i) modify the Services so that they are no longer claimed to infringe or misappropriate, (ii) obtain a license for Partner’s continued use of that Service in accordance with this Agreement; or (iii) terminate any of Partner’s rights for that Service upon thirty (30) days’ written notice and refund Partner any prepaid fees covering the remainder of the term of the terminated Services. The above defense and indemnification obligations do not apply to the extent a Claim Against Partner arises from (y) Content, a
Non-SFDC Application or Partner’s breach of this Agreement, the Documentation or applicable Order Forms; or (z) the use or combination of the Services or any part thereof with software, hardware, data, or processes not provided by SFDC, if the Services, or use thereof, would not infringe without such combination.

7.3 Exclusive Remedy. This “Indemnification” section states the indemnifying party’s sole liability to, and the indemnified party’s exclusive remedy against, the other party for any type of claim described in this section.

SECTION 8: LIMITATION OF LIABILITY

8.1 Limitation of Liability. IN NO EVENT SHALL SFDC’S AGGREGATE LIABILITY ARISING OUT OF OR RELATED TO THIS AGREEMENT, WHETHER IN CONTRACT, TORT OR UNDER ANY OTHER THEORY OF LIABILITY, EXCEED THE GREATER OF USD $25,000 OR THE AMOUNTS PAID BY PARTNER HEREUNDER IN THE 12 MONTHS PRECEDING THE FIRST INCIDENT OUT OF WHICH THE LIABILITY AROSE. THE FOREGOING LIMITATION WILL APPLY WHETHER AN ACTION IS IN CONTRACT OR TORT AND REGARDLESS OF THE THEORY OF LIABILITY, BUT WILL NOT LIMIT PARTNER’S AND ITS AFFILIATES’ PAYMENT OBLIGATIONS UNDER THE “FEES AND PAYMENT” SECTION ABOVE.

8.2 Exclusion of Consequential and Related Damages. IN NO EVENT WILL EITHER PARTY OR ITS AFFILIATES HAVE ANY LIABILITY ARISING OUT OF OR RELATED TO THIS AGREEMENT FOR ANY LOST PROFITS, REVENUES, GOODWILL, OR INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL, COVER, BUSINESS INTERRUPTION OR PUNITIVE DAMAGES, WHETHER AN ACTION IS IN CONTRACT OR TORT AND REGARDLESS OF THE THEORY OF LIABILITY, EVEN IF A PARTY OR ITS AFFILIATES HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR IF A PARTY’S OR ITS AFFILIATES’ REMEDY OTHERWISE FAILS OF ITS ESSENTIAL PURPOSE. THE FOREGOING DISCLAIMER WILL NOT APPLY TO THE EXTENT PROHIBITED BY LAW.

8.3 Exceptions. SECTION 8.1 DOES NOT APPLY TO THE OBLIGATIONS SET FORTH IN SECTION 7 (INDEMNIFICATION) OF THIS AGREEMENT.

SECTION 9: TERM AND TERMINATION

9.1 Term of Agreement. This Agreement commences on the Effective Date and continues until all subscriptions hereunder have expired or have been terminated. For clarity, program memberships by LINK partner tier ordered in an Order Form hereunder are sold as subscriptions.

9.2 Term of Subscriptions. The term of each subscription shall be as specified in the applicable Order Form. Except as otherwise specified in an Order Form, subscriptions will automatically renew for additional periods equal to the expiring subscription term or one year (whichever is shorter), unless either party gives the other notice of non-renewal at least 30 days before the end of the relevant subscription term. The per-unit pricing during any renewal term will increase by up to 7% above the applicable pricing in the prior term, unless SFDC provides Partner notice of different pricing at least 60 days prior to the applicable renewal term. Except as expressly provided in the applicable Order Form, renewal of promotional or one-time priced subscriptions will be at SFDC’s applicable list price in effect at the time of the applicable renewal.

9.3 Termination. A party may terminate this Agreement for cause (i) upon 30 days written notice to the other party of a material breach if such breach remains uncured at the expiration of such period, or (ii) if the other party becomes the
subject of a petition in bankruptcy or any other proceeding relating to insolvency, receivership, liquidation or assignment for the benefit of creditors.

9.4 Refund Upon Termination. If this Agreement is terminated by Partner in accordance with the “Termination” section above, SFDC will refund Partner any prepaid fees covering the remainder of the term of all Order Forms after the effective date of termination. If this Agreement is terminated by SFDC in accordance with the “Termination” section above, Partner will pay any unpaid fees covering the remainder of the term of all Order Forms. In no event will termination relieve Partner of its obligation to pay any fees payable to SFDC for the period prior to the effective date of termination.

SECTION 10: MISCELLANEOUS

10.1 Relationship of the Parties, Third Party Beneficiaries. The parties are independent contractors. This Agreement does not create a partnership, franchise, joint venture, agency, fiduciary or employment relationship between the parties. There are no third-party beneficiaries under this Agreement.

10.2 Non-exclusive. Nothing contained in this Agreement shall be construed as creating an exclusive relationship between Partner and SFDC.

10.3 Public Announcements. All media releases, public announcements or public disclosures (including, but not limited to, promotional or marketing material) by either Party relating to this Agreement are prohibited without the prior written consent of both Parties.

10.4 Assignment. Neither party may assign any of its rights or obligations hereunder, whether by operation of law or otherwise, without the other party's prior written consent (not to be unreasonably withheld); provided, however, either party may assign this Agreement in its entirety (including all Order Forms), without the other party's consent to its Affiliate or in connection with a merger, acquisition, corporate reorganization, or sale of all or substantially all of its assets. Notwithstanding the foregoing, if a party is acquired by, sells substantially all of its assets to, or undergoes a change of control in favor of, a direct competitor of the other party, then such other party may terminate this Agreement upon written notice. In the event of such a termination, SFDC will refund Partner any prepaid fees covering the remainder of the term of all subscriptions for the period after the effective date of such termination. Subject to the foregoing, this Agreement will bind and inure to the benefit of the parties, their respective successors and permitted assigns.

10.5 Waiver; Cumulative Remedies. No failure or delay by either party in exercising any right under this Agreement will constitute a waiver of that right.

10.6 Entire Agreement and Order of Precedence. This Agreement is the entire agreement between SFDC and Partner and supersedes all prior and contemporaneous agreements, proposals or representations, written or oral, concerning its subject matter. The parties agree that any term or condition stated in a Partner purchase order or in any other Partner order documentation (excluding Order Forms) is void. In the event of any conflict or inconsistency among the following documents, the order of precedence shall be: (1) the applicable Order Form, (2) any exhibit, schedule or addendum to this Agreement, (3) the body of this Agreement, (4) Documentation, (5) the Commerce Cloud TOUs, and (6) the Commerce Cloud Product Documentation.

10.7 Severability. If any provision of this Agreement is held by a court of competent jurisdiction to be contrary to law, the provision will be deemed null and void, and the remaining provisions of this Agreement will remain in effect.

10.8 Survival. Section 1 (Definitions), Section 2.1.3 (Development and Maintenance), Section 3 (Fees; Payments), Section 4 (Intellectual Property; Terms of Use; Licenses), Section 5 (Confidentiality), Section 6 (Representations and Warranties; Disclaimer), Section 7 (Indemnification), Section 8 (Limitation of Liabilities), Section 9 (Term and Termination), and this Section 10 (Miscellaneous) shall survive any termination or expiration of this Agreement.

10.12.1 Manner of Giving Notices. Except as otherwise specified in this Agreement, all notices related to this Agreement will be in writing and will be effective upon (a) personal delivery, (b) the second business day after mailing, or (c), except for notices of termination or an indemnifiable claim (“Legal Notices”), which shall clearly be identifiable as Legal Notices, the day of sending by email. Billing-related notices to Partner will be addressed to the relevant billing contact designated by Partner. All other notices to Partner will be addressed to the relevant Services system administrator designated by Partner.

10.12.2 Agreement to Governing Law and Jurisdiction. Each party agrees to the applicable governing law above without regard to choice or conflicts of law rules, and to the exclusive jurisdiction of the applicable courts above.

10.13 No Agency. For the avoidance of doubt, SFDC is entering into this Agreement as principal and not as agent for any other SFDC Affiliate. Subject to any permitted Assignment under the “Assignment” section below, the obligations owed by SFDC under this Agreement shall be owed to Partner solely by SFDC and the obligations owed by Partner under this Agreement shall be owed solely to SFDC.

10.14 Local Law Requirements: France. With respect to Partners domiciled in France, in the event of any conflict between any statutory law in France applicable to Partner, and the terms and conditions of this Agreement, the applicable statutory law shall prevail.

10.15 Local Law Requirements: Germany. With respect to Partners domiciled in Germany, the following changes to the above terms shall apply:

(a) Section 6.1 “SFDC Representations and Warranties” is replaced with the following section:

6.1 SFDC WARRANTIES FOR PARTNERS DOMICILED IN GERMANY

(i) Agreed Quality of the Services. SFDC warrants that SFDC will not materially decrease the overall functionality of the Commerce Cloud Sandbox during any subscription term hereunder.

(ii) Content. SFDC is not designating or adopting Content as its own and assumes no warranty or liability for Content. The parties agree that the “Reporting of Defects”, “Remedies resulting from Defects” and “Exclusions” section shall apply accordingly to SFDC’s responsibility in the event SFDC is deemed responsible for Content by a court of competent jurisdiction. SFDC is not reviewing Content, its details, or its compliance with applicable laws and regulations, and is not ensuring that Content is accurate, up to date, or complete.

(iii) Commerce Cloud API, Commerce Cloud Product Documentation and Commerce Cloud Xchange Collaboration Center. SFDC is not responsible to make the Commerce Cloud API, Commerce Cloud Product Documentation or Commerce Cloud XChange Collaboration Center Services or any other SFDC product or service constantly available and Partner understands that the Commerce Cloud API, Commerce Cloud Product Documentation and Commerce Cloud XChange Collaboration Center Services are provided “As Is.”

(iv) Reporting of Defects. Partner shall report any deviation of the Commerce Cloud Sandbox from the “Agreed Quality of the Services” section (“Defect”) to SFDC in writing without undue delay and shall submit a detailed description of the Defect or, if not possible, of the symptoms of the Defect. Partner shall forward to SFDC any useful information available to Partner for rectification of the Defect.

(v) Remedies resulting from Defects. SFDC shall rectify any Defect within a reasonable period of time. If such rectification fails, Partner may terminate the respective Order Form provided that SFDC had enough time for curing the Defect. The “Refund or Payment upon Termination” section, sentence and 1 and sentence 3 shall apply accordingly. If SFDC is responsible for the Defect or if SFDC is in default with the rectification, Partner may assert claims for the damage caused in the scope specified in the “Limitation of Liability” section below.

(vi) Defects in Title. Defects in title of the Commerce Cloud Sandbox shall be handled in accordance with the provisions of Section 7.2 “Indemnification by SFDC”.
(vii) **Exclusions.** Partner shall have no claims under this Clause 6 “Warranty” if a Defect was caused by the Commerce Cloud Sandbox not being used by Partner in accordance with the provisions of this Agreement, the Documentation and the applicable Order Forms.

(b) Section 6.3 “DISCLAIMER” is deleted.

(c) Section 8 “LIMITATION OF LIABILITY” of this Agreement is replaced with the following section

**8 Limitation of Liability for Partners Domiciled in Germany**

8.1 **Unlimited Liability.**

(a) SFDC will be liable without limitation:

(i) in the event of willful misconduct or gross negligence,

(ii) within the scope of a guarantee taken over by SFDC,

(iii) in the event that a defect is maliciously concealed,

(iv) in case of an injury to life, body or health,

(v) according to the German Product Liability Law.

8.2 **SFDC’S Liability for Breach of Cardinal Duties.** If cardinal duties of SFDC are infringed due to slight negligence and if, as a consequence, the achievement of the objective of this Agreement including any applicable Order Form is endangered, or in the case of a slightly negligent failure to comply with duties, the very discharge of which is an essential prerequisite for the proper performance of this Agreement (including any applicable Order Form), SFDC’s liability shall be limited to foreseeable damage typical for the contract. In all other respects, any liability of SFDC for damage caused by slight negligence shall be excluded.

8.3 **Liability Cap.** Unless SFDC is liable in accordance with “Unlimited Liability” section above, in no event shall the aggregate liability of SFDC together with all of its Affiliates arising out of or related to this Agreement exceed the greater of $25,000 or the total amounts paid by Partner hereunder in the 12 months preceding the first incident out of which the liability arose. The foregoing limitation will not limit Partner’s payment obligations under the “Fees; Payment” section.

8.4 **Scope.** With the exception of liability in accordance with the “Unlimited Liability” section, the above limitations of liability shall apply to all claims for damages, irrespective of the legal basis including claims for tort damages. The above limitations of liability also apply in the case of claims for Partner’s damages against SFDC’s employees, agents or bodies.

10.16 **Local Law Requirements: Italy.** With respect to Partners domiciled in Italy, Section 3.2 “Invoicing and Payment”, Section 3.3 “Overdue Charges”, Section 3.4 “Suspension of Service and Acceleration”, and Section 10.10 “Anti-Corruption” of this Agreement are replaced with the following sections respectively:

3.2 **Invoicing and Payment**

3.2.1 **Invoicing and Payment.** Fees will be invoiced in advance and otherwise in accordance with the relevant Order Form. Unless otherwise stated in the Order Form, fees are due net 30 days from the invoice date. The parties acknowledge that invoices also are to be submitted electronically by SFDC in accordance with the “Electronic Invoicing” section below through the Agenzia delle Entrate’s Exchange System (SDI – Sistema di Interscambio) and any delay due to the SDI shall not affect the foregoing payment term. Partner shall be responsible for providing complete and accurate billing and contact information to SFDC and shall notify SFDC of any changes to such information.
3.2.2 Electronic Invoicing. The invoice will be issued in electronic format as defined in article 1, paragraph 916, of Law no. 205 of December 27, 2017, which introduced the obligation of electronic invoicing, starting from January 1, 2019, for the sale of goods and services performed between residents, established or identified in the territory of the Italian State. To facilitate such electronic invoicing, Partner shall provide to SFDC at least the following information in writing: Partner full registered company name, registered office address, VAT number, tax/fiscal code and any additional code and/or relevant information required under applicable law. In any event, the parties shall cooperate diligently to enable such electronic invoicing process. Any error due to the provision by Partner of incorrect or insufficient invoicing information preventing (a) SFDC to successfully submit the electronic invoice to the SDI or (b) the SDI to duly and effectively process such invoice or (c) which, in any event, requires SFDC to issue an invoice again, shall not result in an extension of the payment term set out in the “Invoicing and Payment” section of the Partner Category Addendum, and such term shall still be calculated from the date of the original invoice. SFDC reserves the right to provide any invoice copy in electronic form via email in addition to the electronic invoicing described herein.

3.2.3 Split Payment. If subject to the “split payment” regime, Partner shall be exclusively responsible for payment of any VAT amount due, provided that Partner shall confirm to SFDC the applicability of such regime and, if applicable, Partner shall provide proof of such VAT payment to SFDC.

3.3 Overdue Charges. Subject to the “Payment Disputes” section, if any invoiced amount is not received by SFDC by the due date, then without limiting SFDC’s rights or remedies, those charges, without the need for notice of default, may accrue late interest at the rate of 1.5% of the outstanding balance per month, or the maximum rate permitted by law (Legislative Decree no. 231/2002), whichever is lower and/or (b) SFDC may condition future subscription renewals and Order Forms on payment terms shorter than those specified in “Invoicing and Payment” section above.

3.4 Suspension of Services. Subject to the “Payment Disputes” section below, if any charge owing by Partner is 30 days or more overdue, if any charge owing by Partner under this or any other agreement for services is 30 days or more overdue (or 10 or more days overdue in the case of amounts Partner has authorized SFDC to charge to Partner’s credit card), SFDC may, without limiting its other rights and remedies, suspend Partner’s access to the applicable services until such amounts are paid in full, provided that, other than for Partners paying by credit card or direct debit and whose payment has been declined, SFDC will give Partner at least 10 days’ prior notice that its account is overdue, in accordance with the “Manner of Giving Notices” section below for billing notices, before suspending services to Partner.

10.10 Compliance with Anti-Corruption Laws.

10.10.1 Anti-Corruption. Neither party has received or been offered any illegal or improper bribe, kickback, payment, gift, or thing of value from an employee or agent of the other party in connection with this Agreement. Reasonable gifts and entertainment provided in the ordinary course of business do not violate the above restriction.

10.10.2 Code of Conduct and Organization, Management and Control Model. Partner acknowledges that SFDC has adopted an Organization, Management and Control Model pursuant to Legislative Decree 231/2001 to prevent crimes provided for therein and commits to comply with the principles contained in the above Legislative Decree 231/2001 and in the SFDC Code of Conduct which is available at the following link: https://www.salesforce.com/content/dam/web/en_us/www/documents/legal/compliance%20documents/salesforce-code-of-conduct.pdf. Partner also acknowledges and agrees that the violation of the principles and the provisions contained in Legislative Decree 231/2001 and in the SFDC Code of Conduct.
Conduct by Partner may entitle SFDC, based on the severity of the violation, to terminate this Agreement for cause as set out in Section 9.3 above.

10.17 Local Law Requirements: Spain. With respect to Partners domiciled in Spain, in the event of any conflict between any statutory law in Spain applicable to Partner, and the terms and conditions of this Agreement, the applicable statutory law shall prevail.
