13.2. Term of Purchased Subscriptions. Subscriptions purchased by You commence on the start date specified in the applicable Order Form and continue for the subscription term specified therein. Except as otherwise specified in the applicable Order Form, all subscriptions shall automatically renew for additional periods equal to the expiring subscription term or one year (whichever is shorter), unless either party gives the other notice of non-renewal at least 30 days before the end of the relevant subscription term. The per-unit pricing during any such renewal term shall be the same as that during the prior term unless We have given You written notice of a pricing increase at least 60 days before the end of such prior term, in which case the pricing increase shall be effective upon renewal and thereafter. Any such pricing increase shall not exceed 7% of the pricing for the relevant Marketing Cloud Services in the immediately prior subscription term, unless the pricing in such prior term was designated in the relevant Order Form as promotional or one-time.

13.3. Termination for Cause. A party may terminate this Agreement for cause: (i) upon 30 days written notice to the other party of a material breach if such breach remains uncured at the expiration of such period, or (ii) if the other party becomes the subject of a petition in bankruptcy or any other proceeding relating to insolvency, receivership, liquidation or assignment for the benefit of creditors.

13.4. Refund or Payment upon Termination. Upon any termination for cause by You, We shall refund You any prepaid fees covering the remainder of the term of all subscriptions after the effective date of termination.
